So hungry...
So thirsty...

Wow, it looks really like blood!
Nah, it's just tomato juice.
Sniff

But I'm not falling for your tricks again, Bonnie!
Not after April Fool's Day!
No way I will drink this!

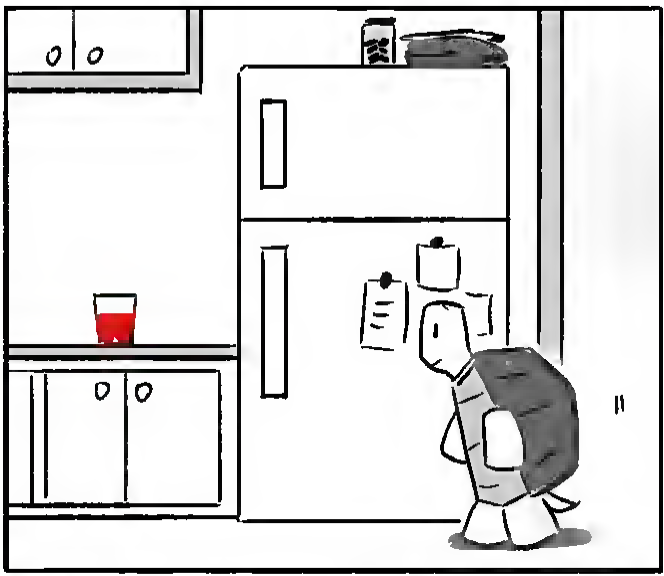
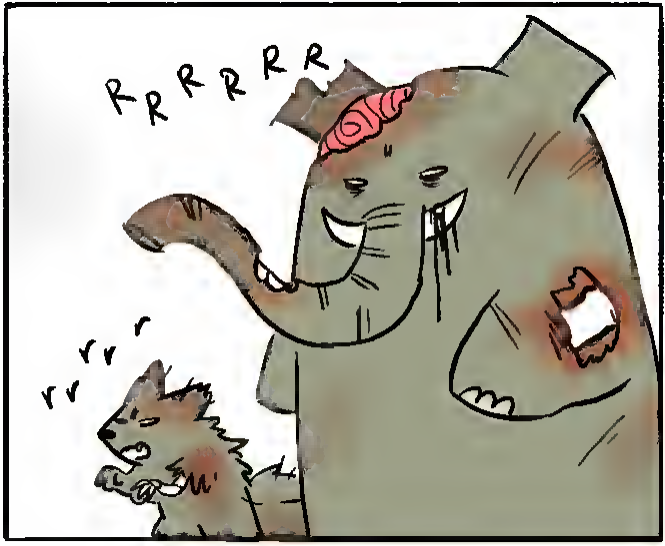
Nice Halloween costume, Foxy.
It looks very real.
Hungry...



...Who left the tomato juice here?



RRRRRR

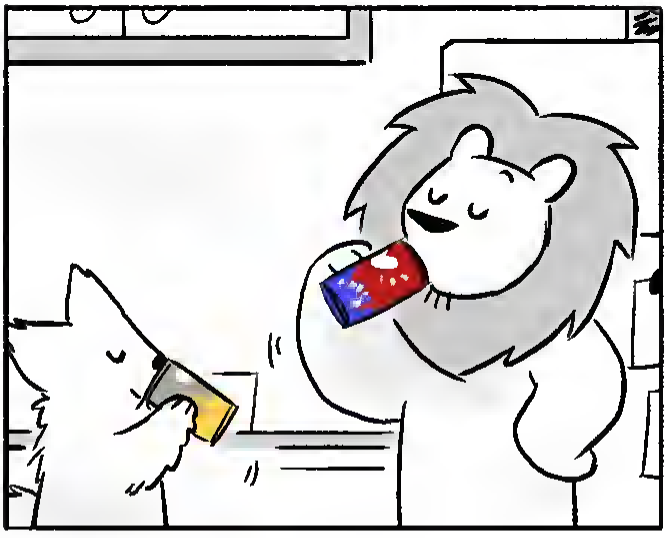
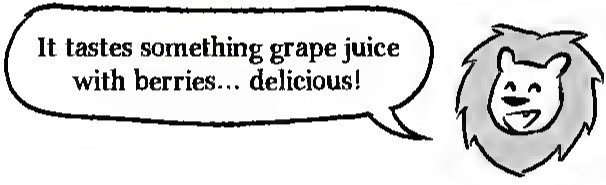
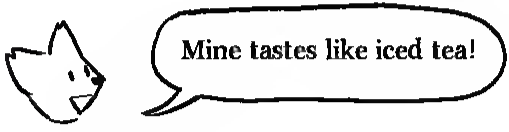
Happy Halloween!!

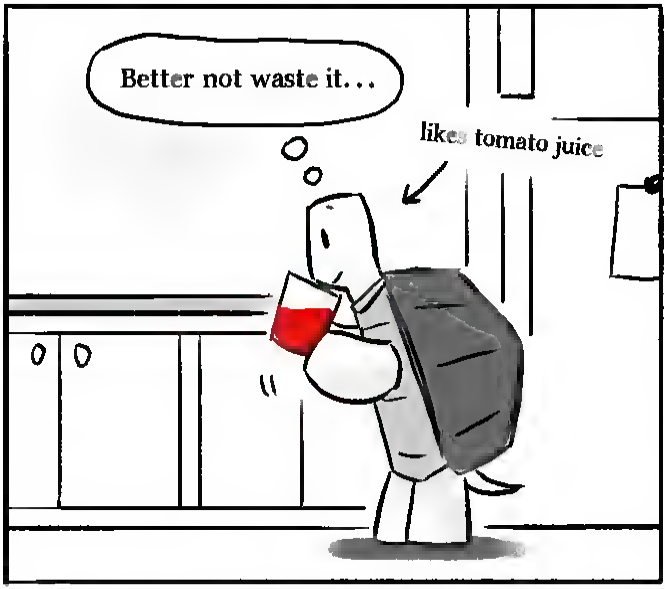




It tastes something grape juice with berries... delicious!



Mine tastes like iced tea!



Better not waste it...

## The Tricky Drink

oh no!!
Roarrrr

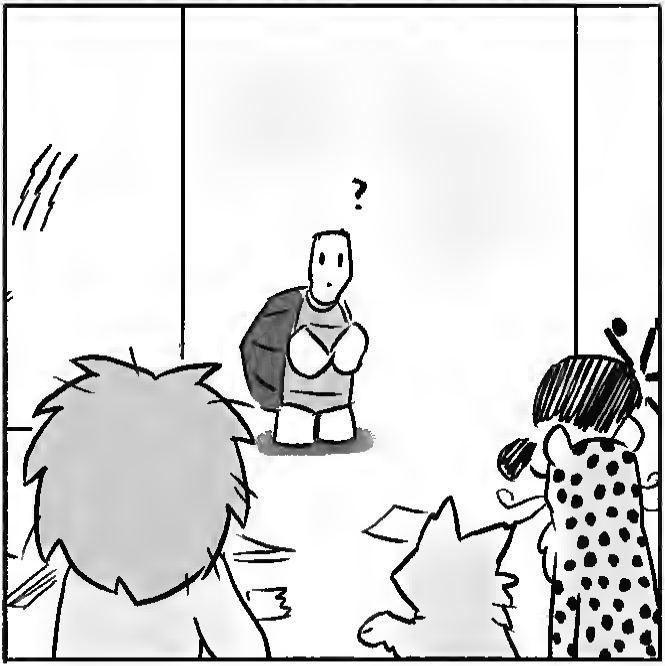
...What's with you?
Did you eat something wrong?
You look pale

Thirsty...

Let's see what other drinks we have...

Oh, who bought these? They look tasty!
Maybe Tiager?

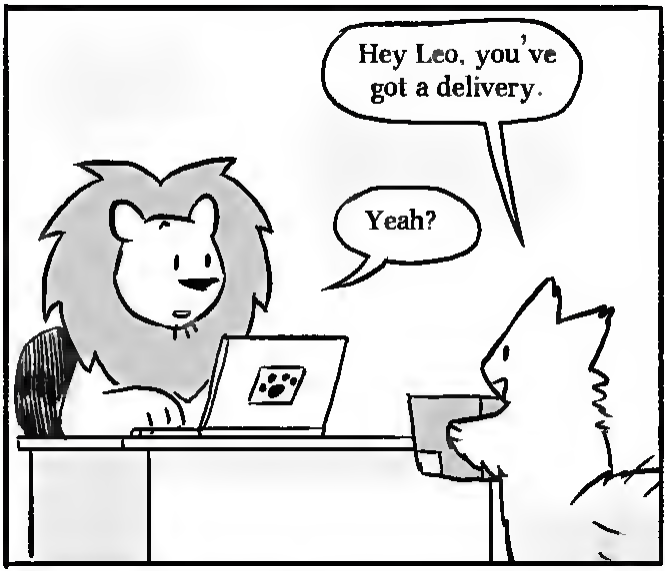
Oh my god!!
R R R R R
Help!!!
Bite!



Um...What happened?

...Did I miss something?

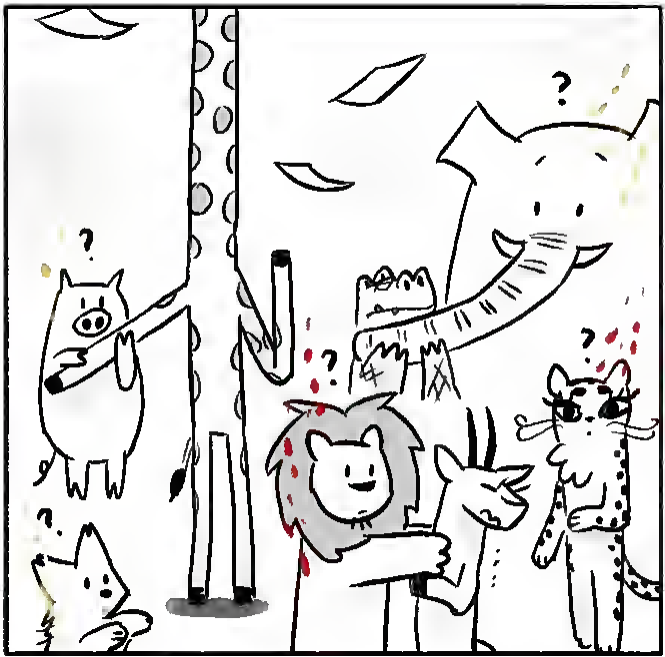
The Barcelos Rooster is based on a national tale. It's a symbol of honesty, integrity, trust and honor, and it's believed to bring good luck!



Hey Leo, you've got a delivery.
Yeah?

Vampire

Ha ha ha, very funny.
What's that?



Leo, you dyed your hair?
No, my lady... you are mistaken.
For I am born with such shiny black mane.

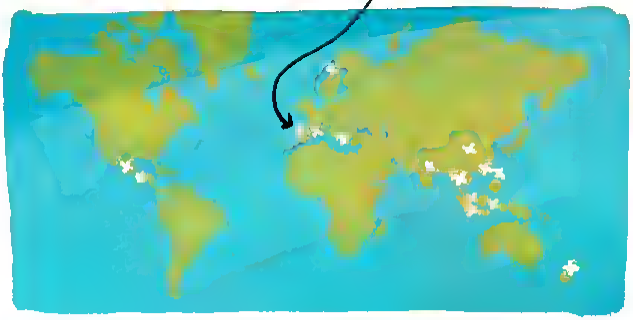
## Animals Around The World
## #17

**Alex**

Hi~ I'm from Portugal and technically speaking, our national animal only exists in myths. It is called Barcelo's Rooster so I guess you could say our national animal is a rooster

Readers from Portugal!



I need to ask where Tiager bought these!
